Inclusion and Diversity Policy

Treelink Stirling is an equal opportunities organisation and aims to ensure that everyone involved with Treelink feels valued and respected. The Board of Trustees, Members and Volunteers all have responsibility for fostering a welcoming and inclusive culture within Treelink.

Treelink Stirling welcomes everyone who shares an interest in trees & woodlands in the Stirling Council area and who wants to be part of Treelink's work within those communities. We respect the needs and abilities of all volunteers and members, making reasonable adjustments where possible. We do not tolerate discrimination of any sort, and as a Board we will strive for best practice; including awareness of unconscious bias and how to combat this.

Overall responsibility for the monitoring and review of the policy and procedures lies with the trustees Alison Adam & Ross Monaghan

Implementation and adherence to this policy is the responsibility of all trustees and other volunteers within the organisation.
